   Dear Michael Chan,

   You have been added to the Turnitin account for “Science” as an instructor by the account administrator, Antonia Yiu.

   Turnitin Originality Checking allows educators to check students’ work for improper citation or potential plagiarism by comparing it against continuously updated databases. Every Originality Report provides instructors with the opportunity to teach their students proper citation methods as well as to safeguard their students’ academic integrity.

   To start using Turnitin, go to http://www.turnitin.com and log in using the following temporary information:

   Email: siuming@hku.hk
   Password: 73hpxfv

   Once you log in you will be taken through a step-by-step startup process, and you will also have the chance to change your password and any other personal information. Keep in mind that the temporary password above is case-sensitive: we recommend that you paste it directly into your browser.

   Turnitin’s Instructor Training will get you and your students prepared to use Turnitin. Get started now.

   Thank you for using Turnitin,

   The Turnitin Team
