

## **Registration for Visiting the Libraries, University of Hong Kong Libraries**

For infection control, all users other than current HKU/HKU SPACE staff/students are required to register to enter the HKU Libraries. HKU Graduates, External Members, and holders of JULAC Library Cards must register at least 2 opening days in advance (excluding library closing and public holidays). A quota of **50 users** per day is available. Registrants with a genuine need to use the Libraries, and JULAC library card holders will be given priority. Those who have not registered and whose registration has not been approved with a confirmation email in advance will not be allowed to enter the Libraries. All registrants must be a valid HKU Library user.

Each cardholder is eligible to register for one day per week and must present his/her HKU Library Card or JULAC Library Card at the entrances of the Libraries. For details about the services of the HKU Libraries, please refer to <https://lib.hku.hk/files/notice/LibraryNotice.pdf>

**The registration form opens from 9 am to 2 pm, Monday to Sunday (except library closing day and public holidays). To register, click [here](#).**

Bad Weather Arrangement: Should there be any adverse weather conditions (Tropical Cyclone Warning Signal No. 8 or above, "Extreme Conditions" or Black Rainstorm Signal is/are in force), the affected successful registrants can enter the Libraries on the next opening day.

No-show: Successful registrants who cannot show up should notify the Libraries by sending email to [libcir@hku.hk](mailto:libcir@hku.hk) at least one day in advance. Failing to do so will result in exclusion from registration for one week starting from the offending date.

The HKU Libraries reserve the right to amend the terms at any time.
