https://tl.hku.hk/plagiarism/
HKU has signed a site licence agreement with EndNote, which permits all current HKU staff and students to use the software both on campus and at home. Upon accepting the agreement in the request form, HKU staff and students must abide by the Conditions of Use of the EndNote software.

What is EndNote?
EndNote is a bibliographical management software package designed to help you to organize bibliographic references and create a bibliography. EndNote allows you to search, retrieve relevant citations, and build your bibliography, all within one program.
