Enter your email

Please enter your email address to get started. We'll send you an email with an email verification code to create your account and generate a username and password.
- Log on your HKU email account to receive and copy a verification code
- Go back to the Visible Body webpage to paste the Verification Code in the box so named
- Tap Submit

- Go to your email account again and receive another email with your username and password for this app
- Choose the platform you wish to install the app

- Launch the app
- Input the registered UID@hku.hk and the assigned password
- Tap OK

- Please re-verify the same HKU email address once every 150 days to maintain access

Please note:
- Repeat the above steps for the other apps you wish to set up
- Use the same HKU email address for each app
- A different set of verification code and password will be generated for each app during set up
